WELCOME TO THE LOST LOUNGE

We put a lot of energy, passion and research into not only the selection of beverages, but into the whole concept of Lost Lounge. We want to deliver a high standard of service whilst maintaining a genuine feeling of warmth and authenticity that our team strive to conjure every day. We love what we do and we love each other, we want you to feel this love in every bite, every sip and every interaction.

Our charity, Holiday Hunger, will continue to benefit from our profits, which is why we add an optional £1 donation to every food bill. This money goes directly into the projects that we set up. Too many families in our community struggle financially to the point that they don't know where their next meal is coming from. Together we can help. Together we are powerful.
