Gardening is a kind of disease. It infects you, you cannot escape it. When you go visiting, your eyes rove about the garden; you interrupt the serious cocktail drinking because of an irresistible impulse to get up and pull a weed. ~Lewis Gannit

"Odours that rise  
When the spade wounds the root of tree,  
Rose, currant, raspberry, or goutweed,  
Rhubarb or celery;

The smoke's smell, too,  
Flowing from where a bonfire burns  
The dead, the waste, the dangerous,  
And all to sweetness turns.

It is enough  
To smell, to crumble the dark earth,  
While the robin sings over again  
Sad songs of Autumn mirth."  
Edward Thomas
