## Testimonials

### SUZIE AND AARON

Manchester hall was such a beautiful and “unexpected” gem of a venue to find smack bang in the middle of the City centre. It couldn’t have been more beautiful, and the FOOD... well people have not stopped talking about how great the food was. The standard was impeccable, and every plate piping hot. Our day was just perfect and we can’t thank the team at Manchester Hall enough.

### JAMES & BETH

With regards to the venue.... wow! We were taken aback when we saw the place prepared for our big day. It was exactly what we wanted. Our friends and family also commented on such a special venue, the decor and really brings the building to life. There are so many parts from the staircase, the funky toilets and the chandelier in the Goulburn room that help make the venue and our wedding day stand out. You were all very catering to our needs, it’s just a shame we can’t do it all over again, it went too fast!

### RHIAN & MATT

We had an absolutely amazing wedding - it truly was the best day of our lives - and the Manchester Hall and staff played such a huge part in that.

Rebecca & Mark Wolstenholme

The hall looked absolutely beautiful and the food was outstanding, we had so many comments, from guests, that it was the best food they had ever had at a wedding! Thank you so very much for everyone’s hard work. We couldn’t have asked for anything more.

### LINDSAY & DANNY

The venue is stunning, so speaks for itself. However, all our guests commented on how efficient and friendly all the staff were and they really made everyone feel like nothing was too much trouble. We have been to so many weddings in the city centre and by comparison I am so glad we chose Manchester Hall and their great team. You made our wedding day!!

### MICHAEL AND FIONA BURNSIDE

We decided to get married at Manchester Hall after seeing such a beautiful historic building of Manchester, brought to life as a wedding venue. Our wedding was held over the Easter weekend of 2019 and we could not have asked for a better experience and memories we will never forget. The staff were extremely attentive throughout the whole day and in the run up to the event. The quality of all the canapés, wedding breakfast and evening buffet were all fantastic. We would highly recommend Manchester Hall as a wedding/events venue. Also worth checking out Mason’s restaurant as the food is brilliant!
