Introducing Our New Homemade Sauce

This recipe has been in our family for generations, but this time, we've made sure that it's vegan friendly, along with no garlic and other allium ingredients.

 Non Vegan Dish

 Spice Level

If you have any food allergies and intolerances please do not hesitate to ask one of our friendly staff about the ingredients in the meal when making your order. **We do have gluten free options**, ask your server for more information.

We do not use any onion or garlic in our food.

We can't guarantee our dishes are 100% nut free.

We have a 10% service charge for bookings of 8 people or above. We may withdraw this menu from time to time due to local events.

10% discount on takeaway order. (For collection only)

We use a lot of Szechuan pepper oil in the cooking process which has numerous vitamins and minerals that have been known to help with high blood pressure and poor digestion.
