CONFIDENTIALS

OVER 21 YEARS OF QUALITY, AUTHORITY AND PRESTIGE

Confidentials, born in 2003, is an independent publisher operating in Manchester, Liverpool, Leeds and the Shires. We grew out of a passion for championing the food and drink scene in the North. Our content covers restaurants, bars, things to do, culture, lifestyle and news.

It reflects what we care about personally, as people living and working in the North, and it reflects what our readers care about - they're our number one priority and their loyalty means a lot to us.

Our aim is to give them content that informs, educates, entertains (and irritates). But most importantly, its content that they can trust.

Our newest platform, ConfidentialGuides.com, has enabled us to reach out to not only people living in the North but people visiting the North. It was launched in February 2021 and is the first searchable and trusted guide to enjoying the best of the region.
